CHURCH

Highly Cost Effective Solution for Financial Planning

ABOUT

Life Teen is an international Catholic Youth Ministry leading teens closer to Christ.

GOAL

Life Teen needed help with their financial planning, analysis, budgeting, and forecasting that integrated well with Sage Intacct. They wanted a solution that could handle specific requirements, yet was simple enough for leadership.

RESULTS

Martus partnered with Life Teen to help integrate with Sage Intacct and pull in their accounting data to Martus. Offering the budgeting tool, reporting tool, and other features, Life Teen was able to get their budgets done faster, collaborate better, and forecast accurately.

A Mission Partner

MartusTools is a practical and highly costeffective solution for financial planning, analysis, budgeting and forecasting in organizations of all sizes, types and complexities. Its simple integration with Sage Intacct makes the tool very powerful. In addition, non-finance leaders within our organization acclimated
