CARA Europe held its first online election during their Annual General Assembly (AGM) on October 22, 2024, using NemoVote. With seamless live voting, accurate real-time results, and positive member feedback, the experience was a complete success. Impressed with the platform, CARA immediately opted for a NemoVote subscription for future events. October, 24th 2024:

Successful Launch of NemoVote at Our General Meeting on October 22, 2024

We are excited to announce that for the first time, we used the online voting platform NemoVote at our General Meeting held on Tuesday, 22 October 2024. As our association continues to accelerate and grow, it has become crucial to have a reliable, clear, and transparent voting system that not only meets our needs but also enhances the experience for all members.

"NemoVote proved to be the perfect tool for live-voting during our meeting. The platform was easy to use, provided a seamless voting experience, and helped ensure that every vote was captured accurately in real time."

Svenja Vloeberghs, Office and Election Manager at CARA International Non-Profit Association

We received great feedback from our members, who appreciated this new and efficient way of participating in the decision-making process.

Given the tool's success, we look forward to using NemoVote in future meetings to continue supporting smooth, transparent, and secure voting for all our members.

CARA Europe's successful experience with NemoVote demonstrates how a reliable, user-friendly voting platform can transform online decision-making. With smooth processes and accurate real-time results, NemoVote continues to support organizations in managing voting events effortlessly.

Do you want to modernize your voting process and increase member participation?

Choose the reliable, user-friendly solution from NemoVote and make your next election a success.
