

# FOR MANAGED IT

Rev.io PSA is an ideal business automation solution for managed service providers that want to cut costs, improve workforce efficiency and accelerate customer acquisition. By combining project management, CRM, inventory management, personnel management and more into an all-in-one software solution, Rev.io PSA allows you—and your entire team—to focus on what you do best.

## TICKETING AND DISPATCHING

Automate technician dispatching to track billable activities and time logs through our mobile app

## DOCUMENT AUTOMATION

Create branded, customized quotes, proposals, contracts and SLAs with easy-to-use document automation

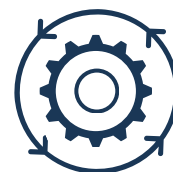

## TIME TRACKING

Capture time and expenses more accurately for each project, ensuring each billable hour is accounted for

## CUSTOMER RELATIONSHIP MANAGEMENT

Automate email marketing, manage leads, view your entire sales pipeline, generate quotes, and access data on current and potential customers

## RMM INTEGRATION

Rev.io PSA integrates with leading RMMs to automatically capture real-time asset information and create service tickets as needed
